New York, Jan. 10.-Alfred G. Vanderautomobile. In October, 1905, Mr. Vanderbilt decided he would like to win some of the races at Ormonde Beach and employed Richard to build for him a 250-horsepower racing car. When the car reached Ormonde it was discovered that four of the eight cylinders refused to

Mr. Vanderbilt withdrew his entry. His experiment had cost him \$20,000, but he refuses to pay the \$5,000 which Richard claims for his work, on the ground that the car had not met requirements. It is said that in the tests the car developed 286-horsepower, making it the most powerful ever built.

PASSING OF D. B. FUNK.

Manti, Jan. 10.—During the week Daniel B. Funk, of Sterling, passed away very unexpectedly. The evening before his death he retired apparently well and, upon endeavoring to awaken him the next morning, his wife found to her surprise that his life was ended.

Deceased was a farmer, and was a son that his life was ended.

Deceased was a farmer, and was a son of Daniel B. and Maria DeMill Funk. He was born in Salt Lake City March 29, 1849. The family came to Utah in 1848, locating in Manti in 1849. His father was the founder and owner for many years of Funk's lake, located about five miles south of this city, which covers about ninety acres, and where he built a boat, planted thousands of shade trees and made of it a resort of some importance Brazil, of the torpedo boat destroyer flotilla, now on its way to the Pacific coast. The flotilla was seven days out from Para and five days behind schedule. The flotilla arrived at Pernambuco this morning.
